

ROCKY RIDGE DENTAL

Dr. Mustafa Esmail, DDS

To our valued patients,

Effective immediately: there is a mandatory suspension of all non-emergency dental treatment and services as per the Alberta Dental Association and College during the COVID-19 Pandemic.

Rocky Ridge Dental will be closed until further notice, we will reopen the office when the mandatory suspension has been lifted, and it is safe to do so for our patients' and staff members' health and safety.

If you are experiencing a dental emergency including and limited to pain, infection, swelling, or trauma, please call our office at (403) 244-2273, as someone will be answering phones during business days. After-hour emergencies can contact Dr. Esmail at (403) 615-6644. You can also contact us by email at rdentalinfo@gmail.com.

We apologize for any inconvenience, and we thank you for your continued support and understanding in this time of uncertainty.

Dr. Esmail and the team at Rocky Ridge Dental are thinking of everyone, and we continue hope for you and your families' health and safety. We cannot wait to get back to see everyone soon!

Best wishes,

The Team at Rocky Ridge Dental
