

# ROCKY RIDGE DENTAL

## Dr. Mustafa Esmail, DDS

COVID-19 UPDATE: **May 17, 2020**

To our dear patients,

We are working tirelessly to prepare the office for our COVID-19 re-opening with our new protocols in place. We are sourcing new equipment and supplies that will continue to keep our office at the forefront of infection control going forward.

**We plan to open the office on Tuesday, May 19 in a limited capacity, meaning we will be limiting the number of people in the office and the number of appointments. We ask that people wait in their car and call us when they arrive. We are also adding more time in between appointments to allow for a more elevated level of infection control protocol.**

We will keep you updated and begin calling to rebook missed appointments soon. If you are experiencing any type of emergency, please call our office at (403)244-2273, someone will be in the office during business hours to assist you. After-hour emergencies can contact Dr. Esmail at (403)615-6644. You can also contact us by email at [rrdentalinfo@gmail.com](mailto:rrdentalinfo@gmail.com) at any time.

Again, we apologize for any inconvenience and thank you for your continued support and patience during this time. Dr. Esmail and the team are doing everything we can to prepare for our return to the office and for our patients' continued safety. As we get updates, we will post on our website and social media channels.

We look forward to seeing everyone soon!

Stay healthy and take care,

The Team at Rocky Ridge Dental
